Everywhere You Turn

Advanced Turning Solutions Roadshow 28th April, 12th May & 19th May 2015, 10:00am – 3:00pm

Seco Tools UK and Edgecam have joined forces and are holding three Roadshows in April and May to launch two new advanced turning products into the market.

- 28th APRIL: SECO TOOLS, ALCESTER
- 12th MAY: HEXAGON, MILTON KEYNES
- 19th MAY: AVONBRIDGE HOTEL, HAMILTON (NR. GLASGOW)

All three Roadshow events will start at 10:00am and finish at 3:00pm. The Roadshows are **free** and, in addition to the new product launches, will also include presentations on the latest measurement and inspection solutions from Hexagon Metrology, and the range of process improvement services provided by Seco's own CET (Component Engineering Team) who will also be available to discuss your production challenges.

So if you want to discover how these two new innovative technologies can help you and your company:

- Reduce Part Cycle Times
- Improve Tool Life, Performance & Reliability
- Increase Productivity
- Maintain Constant Chip Loads
- Increase Profitability
- Stay One Step Ahead Of The Competition

Register to attend one of the three Roadshow events today! The events are free but places are limited. If you have any questions or would like any further information please do not hesitate to contact nicki.adams@secotools.com
