

## Exciting Career Opportunity at **Verus Metrology Partners**

Offering world-class bespoke **Metrology Fixtures**, **Sub-Contract Metrology** and **Moldflow solutions** to a large client base of blue-chip multinationals, we provide cutting edge solutions to the Medical Device, Automotive and Aerospace sectors from our two facilities in Sligo and Nottingham, UK. Having built a solid reputation for excellence at every level for over twelve years, Verus Metrology has above all, revolutionised the way clients measure their products.

Our consistent pursuit of market-leading innovation, quality and customer service, backed by investment in our people and processes, has underpinned our rapid growth since our beginning in 2008.

As a result, plans to continue to push the boundaries of measurement have resulted in a new exciting career opportunity.

## **Job Description: Precision Engineer**

We are now seeking applications for the position of Precision Engineer to join our rapidly expanding in-house production **team**. Furthermore, the successful applicant will be based at our state-of-the-art headquarters in Cleveragh Industrial Estate, Sligo.

This is a dynamic and diverse role with the additional opportunity for career progression and generous remuneration.

## **Areas of Responsibility:**

- CNC Machine Operation
- Fitting and Assembly of Metrology Jigs and Fixtures

## Desired Qualifications and Experience:

- Certificate in Toolmaking or equivalent in Precision Machining and Fitting
- Engineering/Manufacturing background
- Experience with CNC Milling, Turning and Surface Grinding
- Familiarity with the interpretation of engineering drawings and specification
- Experience working within an ISO 9001 environment or equivalent quality system
- Knowledge of programming of CNC machines using Mastercam Software would be of advantage

Job Type: Full-Time

## How to Apply:

Above all, this is a fantastic opportunity to join an exceptional team within a market-leading company. So If you have what it takes, send your C.V to [Colm Taylor](#), Manufacturing Manager at [colm@verusmetrology.com](mailto:colm@verusmetrology.com) or call us on 071 914 3506.

Verus Metrology Partners is committed to creating a diverse environment and therefore, is proud to be an equal opportunity employer.
