

## **TORUS AMERICAS INC. HAVE MOVED!**

After 8 and a half years residing in Corporate Circle, Golden, Colorado, Torus Americas have recently moved into a new facility just a short distance up the hill to Corporate Center Office Park: 150 Capital Drive Suite #340, Golden, Colorado, 80401, USA.

Torus Americas moved into their old facility in September 2008 as just a two man team. TAI operated as a 2 for many years however after recruiting more and more engineers as well as warehouse staff, they found their old office became too small to house everyone. The fantastic new facility is larger with ample space for all employees; boasting 4 large official offices, a 4 pack cubicle for engineers, a state-of-the-art conference room, 2 restrooms, a fully equipped kitchen and a huge warehouse.

*Please make a note of Torus Americas' new address:*

150 Capital Drive,  
Suite #340,  
Golden,  
Colorado,
