## **BEC Group achieves ISO 9001:2015 Re-certification**

BEC Group have just been awarded their re-certification for the ISO 9001:2015. This is a key milestone for the company, demonstrating their continued commitment to maintaining and delivering the best quality service for their customers.

Based in New Milton, Hampshire, BEC Group's clients cover a broad range of sectors from automotive, marine, pharmaceutical to household goods. Whilst each sector has different needs the ISO 9001:2015 is a worldwide standard and reassures customers that anything manufactured by the company will be to a universally recognised quality level.
